COMPANY OVERVIEW & ENGINEERING MISSION

EazyTechSolutions is apremierengineering firmspecializingincritical power protection, industrial uninterruptible power supply (UPS) systems, comprehensive maintenance contracts, and advanced power quality diagnostics. We safeguard mission-critical data centers, manufacturing lines, healthcare facilities, and IT infrastructure against costly outages, voltage irregularities, and power degradation.

99.99%	24 / 7	100%	IEEE 1188
UPTIME ASSURANCE	EMERGENCY RESPONSE	OEM STANDARDS	DIAGNOSTIC COMPLIANCE

CLIENT ENGAGEMENT DOSSIER (PREPARED FOR)

This capabilities portfolio and commercial proposal profile is tailored for:

Client Organization: MottMacDonald
Reference Dossier / Offer No: 26-27/EAZY/109
Facility / Site Address: CandorTechspace, Tower-1, 4th Floor, Sector 62, Noida, UP - 201309
Contact Person / Telephone: +91(0)1204608100
Official Email: marketing.India@mottmac.com
Target Critical Load / Equipment: [ ]
Site Project Coordinator: [ ]

CORE DOMAIN EXPERTISE & TECHNICAL SERVICES

Our multidisciplinary teamofcertified electricalandautomation engineers provides end-to-end lifecycle support for enterprise power architecture, from greenfield commissioning to routine health analysis.

Domain Pillar	Engineering Scope & Technical Capabilities	Client Deliverables
1. UPS & Battery Sales & Supply	Supply of Online Double Conversion UPS systems, modular scalable architectures, industrial SMF VRLA, Tubular, and LiFePO4 battery banks.	OEM warranty, load-matched sizing calculations, site delivery.
2. Maintenance Contracts (AMC & CAMC)	Comprehensive (CAMC including spare parts) and Non-Comprehensive (AMC) service contracts with guaranteed MTTR response windows.	Quarterly preventative visits, priority breakdown SLA, health logs.
3. Emergency Breakdown & Repair	24/7 on-call rapid response team for critical power failures, inverter faults, static bypass failures, and component-level repairs.	On-site triage, loaner equipment availability, root cause analysis.
4. Power Quality & Energy Audits	Class-A power quality analyzers recording THD-V, THD-I, neutral currents, voltage sags/swells, and power factor irregularities.	Comprehensive audit report, harmonic mitigation plans.
5. Power Backup Consultancy	Industrial electrical design, Single Line Diagram (SLD) optimization, generator-UPS synchronization, and protective relay coordination.	Engineering blueprints, load segregation schemes.
6. Battery Impedance & Capacity Testing	Individual cell internal impedance, conductance measurement, inter-tier connection resistance, and timed DC load-bank discharge testing.	Cell-by-cell health degradation charts, IEEE 1188 compliance.

DIAGNOSTIC EXCELLENCE & PREVENTIVE METHODOLOGY

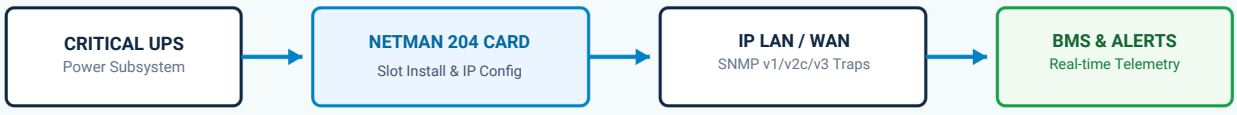

Ratherthan waiting for unpredictedbattery thermalrunawayorsuddenUPSfailureduring mains loss, Eazy Tech Solutions implements predictive condition monitoring. We identify deteriorating cells and capacitor wear before they impact critical loads.

The Eazy Tech Preventative Maintenance SLA Advantage:

- **Guaranteed Response Time:** Rapid on-site technician deployment within committed SLA hours for enterprise contract holders.
- **Genuine Spares Inventory:** Stocking of authentic OEM subassemblies, driver boards, rectifiers, and remote communication modules.
- **Calibrated Equipment:** Diagnostic checks conducted with calibrated micro-ohmmeters, thermal imaging cameras, and digital power meters.

SMART SNMP POWER TELEMETRY & REMOTE MONITORING

Modern datacenters andenterpriseofficesrequirereal-timevisibility intotheirpower train. We specialize in supply, physical integration, IP network configuration, and parameter programming for advanced network interface cards, including the **Netman 204 SNMP Card**.

STATUTORY CREDENTIALS & BANKING DETAILS

BANKING PARTNER

The Nainital Bank Ltd.
Branch: C-16, Dilshad Colony, Dilshad Garden, Delhi-110095
Account Name: Eazy Tech Solutions
Account No.: 1141000000000238
IFSC Code: NTBLODEL114

STATUTORY & QUALITY

GSTIN: 09FALPP6353P1ZN
State Jurisdiction: Uttar Pradesh (09)
Commercial Terms: 100% Advance against PO or mutually agreed contract milestones.
Quotation Validity: 30 Days from issuance.
